

# Doyle's Dialogue

Theme: Seven Continents Review

Date: February 22nd - 26th

## The K2 Preview

Our jet-lagged friends are ready to review our progression through the Seven Continents. This week, we will spend time reflecting on the many different cultures, landmarks, and animals we visited at each location. We will also rest and prepare for our Quiz Bowl so that we are completely ready to take on our parents!

**Language Arts:** sight words: let, over, some, when; word family: -ine (nine, fine, etc); segmentation; poetry - silly songs; review pronouns

**Math:** write numerals to 90, simple word problems, counting dimes, nickels, and pennies, halves and fourths, adding ten to a number, sequence numbers least to greatest, ordinal directions, tally marks, graphing, number patterns

**Social Studies:** Seven Continents review

## Doyle's Details

February 26th - 3rd Annual Kindergarten Quiz Bowl at 1:00

March 9th - Primary School Parent Update Meeting 5:30-6:30

## Practice at Home

*All homework is due on Friday.*

For language, your child will color each picture and write the color word to match. A second sheet is attached in which they will use a word bank to find the rhyming pairs. Then, they will write the word on the line.

In math, your child will count the coins in the purse and identify if the amount is equal to a quarter. The second activity requires your child to solve simple subtraction word problems.

In addition to these pages, please have your child read his/her individual baggie book each night. Also, make a set of sight words for your child and review them nightly. Our sight words this week are : let, over, some, when, and -ine words (nine, fine, etc.).

Alizé takes part in our Highland games as she practices shot put!
